DISCLAIMER

This presentation (the “Presentation”) has been prepared solely for information purposes in connection with the contemplated issue of shares in ScreenPro Security Ltd. (“ScreenPro” or the “Company”) and is being furnished by ScreenPro to a limited number of parties (the “Recipients”) who have a potential interest in subscribing for shares in the Company.

This presentation is being made available in the United States on a confidential basis only to persons reasonably believed to be “accredited investors” within the meaning of Rule 501(a) of Regulation D under the Securities Act (“Accredited Investors”) and specifically authorized to view this presentation. This presentation is being provided solely to enable the offeree to evaluate ScreenPro Security Ltd. (“the Company”) and the securities being offered. This information does not constitute an offer to any other person or a general offer to the public of, or the general solicitation from the public of, offers to subscribe for or purchase any of the securities in the United States. The securities offered have not been registered under the U.S. Securities Act of 1933, as amended, or any other securities laws and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements. Purchasers of the securities in the United States will be required to be Accredited Investors. Any unauthorized use of the presentation is strictly prohibited. The material available in this presentation may contain forward-looking statements, which are subject to risks, uncertainties and assumptions. In some cases, you can identify these statements by forward-looking words such as “may”, “might”, “will”, “should”, “expect”, “plan”, “anticipate”, “believe”, “estimate”, or “predict” and other comparable terminology. Such forward-looking statements are based on current plans, estimates and expectations. Forward-looking statements are based on known and unknown risks, assumptions, uncertainties and other factors. The Company’s actual results, performance and achievements may differ materially from any future results, performance, or achievements expressed or implied by such forward-looking statements. The Company does not assume responsibility for the accuracy or completeness of any forward-looking statement and offerees should not rely on forward-looking statements as predictions of future events. The Company is under no duty to update any of these forward-looking statements. The information provided in this presentation is not intended to provide financial, tax, legal or accounting advice. Each offeree, prior to investing in the Securities, should perform and rely on its own investigation and analysis of the Company and the terms of the offering of the Securities, including the merits and risks involved.

Neither the receipt of this Presentation by any Recipients, nor any information contained herein or supplied herewith or subsequently communicated in written, electronic or oral form to any person in connection with the contemplated issue of shares in the Company constitutes, or shall be relied upon as constituting, the giving of investment advice to any such person. Each person should make their own independent assessment of the merits of investing in the Company and should consult their own professional advisors. By receiving this Presentation you acknowledge and agree that you will be solely responsible for your own assessment of the market and the market position of the Company and that you will conduct your own analysis and are solely responsible for forming your own opinion of the potential future performance of the Company’s business.

“Everyone deserves to be tested and protected. A complete process of effective testing and tracing to contain infections and a targeted roll out of vaccines to those who need it is how we can achieve a more normalized way of life”

*John McMullen, CEO
ScreenPro Security*

“Ontario remains firmly caught in the grasp of a major second wave of Covid-19. Daily infection is now above 2,000 new cases per day . Hospitalization is increasing rapidly, as is the occupancy of intensive care units.”

Ontario Hospital Association

“There are no shortcuts, and no silver bullets. The answer is a comprehensive approach, using every tool in the toolbox.”

*World Health Organization
October 12, 2020*

The UK will go through the most dangerous time of the pandemic in the weeks before vaccine rollout has an impact.

*Professor Whitely
Chief Medical Officer UK.*

“Our municipalities have gone above and beyond to keep our communities safe in the fight against covid-19 and we remain committed to working with our municipal and public health partners to keep Ontarians safe.”

*Christine Elliot
Minister of Health*

Over 300 certified nursing professionals

A person wearing a white protective suit, face shield, and gloves is holding a tablet. The background is a clinical or laboratory setting with shelves and equipment. The entire image has a teal overlay.

YOUR DEDICATED SCREENPRO TEAM

LEADERSHIP

Andrew Ryu, Interim CEO, Chairman

Mr. Ryu is graduate of McMaster University and the University of Toronto. He is currently chairman of Datametrex AI Limited (TSXV: DM) and Graph Blockchain Inc. (CSE: GBLC). He is one of the key individuals for the recent success of Datametrex and Graph Blockchain by providing strategies and being part of integration to both companies. Mr. Ryu has over 20 years of operational experience and is a seasoned and experienced M&A entrepreneur in public and private companies. He was nominated of EY Entrepreneur of the Year in 2014.

Paul Haber (CPA, CA, Cdir), CFO

Mr. Haber has been involved in corporate finance and capital markets for over 25 years as a banker, investor and entrepreneur. He has served as the CFO and Audit Committee Chair of many public and private companies. Mr. Haber started his career with Coopers & Lybrand, now PwC LLP. He is both a Chartered Accountant and a Certified Public Accountant, with an Honours Bachelors of Arts Degree in Management from the University of Toronto. Mr. Haber was awarded his Chartered Director designation from the DeGroote School of Business in partnership with the Conference Board of Canada.

OPERATIONS

Lena Kozovski, VP Operations

Lena has worked extensively with senior executives, board members, and investors internationally, supporting their talent management needs across a broad spectrum of areas including Senior level strategic hiring, Board and C-Suite and recruitment, advisory services, executive assessment/succession and critical volume-based recruiting projects as well as Diversity and Inclusion projects. Prior to establishing Element Search Partners, Ms. Kozovski held leadership roles for large global companies including CN Rail and TD Bank. She launched her career in search 20 years ago and was most recently a Principal at a large global firm. She holds a bachelor's degree in human resource development from the Ryerson University in Toronto and has completed several certificates and courses aligned with her current role. Ms. Kozovski serves as Advisor for Proudfoot, an Executive Committee member for Women in Mining, Toronto as well as a member of Women in Mining, UK. Lena is a proponent for diversity and inclusion within the industry and has aligned with several strategic partners to promote and advance females within the industry.

Tony Hyland, Director Sales - Film & Production

Tony has a 35+ year career in the entertainment industry beginning in the west coast music scene. His entrepreneurial spirit led him to form Cobra Custom Case Co. specializing in manufacturing and rental of specialized equipment for the music industry. Today, Tony is a managing partner of Cedarwood Studios Corp., whose goal is to improve Vancouver's Studio infrastructure. After many years of working in the various markeshift stages in Vancouver, Tony concluded there must be a more efficient way. It is now his goal with his partners at Cedarwood Studios to build true state of the art sound stages for the growing film industry in the Vancouver area. Tony has an extensive network of contacts in the film industry, including Studio Heads, Directors, and Executive Producers from some of the biggest budget feature film producers including Paramount, Disney, Netflix, Fox, Searchlight, Amblin Entertainment, to list a few. Tony attended British Columbia Institute of Technology.

BOARD OF DIRECTORS

Richard Yoon, Board of Director

Richard is currently the CEO of ZTE Canada, responsible for ZTE's business in Canada. Richard joined ZTE Canada in April, 2015 as Director of Business Development, with responsibilities for developing new business opportunities in Canada. Within a short time frame, Richard made significant contributions to the business growth in Canada and now serves as CEO of ZTE Canada. Richard is a strategic thinker, team-oriented and results-driven leader with a track record of innovation and success in the business world. Prior to joining ZTE Canada, Richard has worked in management positions for several other OEM, such as Huawei and Palm and has also held management positions with Canadian Telecom carriers such as TELUS, Bell and Clearnet. Richard holds a Bachelors degree in Mathematics for commerce from York University.

Young Cho Lee, Board of Director

Young Cho Lee (CPA) has a BA in Accounting and an MBA from Hanyang University in South Korea. He worked in accounting, finance, and auditing department at LG Group- headquarter, overseeing all subsidiaries including LG Electronics, LG Construction, and LG Chemicals. He was responsible for management and consulting projects, specializing in M&A and restructuring. After leaving LG, he founded and operated an educational institution for 15 years in Vancouver. After successful exit from education industry, he started mobile communications and IT mobile platform businesses in Vancouver and Toronto. He has extensive experience in management, restructuring, financial management, and sales & marketing strategy

ADVISORY BOARD

Dr. David Klein, MD

Dr. David Klein currently works in conjunction with Dr. Alexander Romaschin in the Department of Laboratory Medicine at St. Michael's Hospital on the development and clinical application of novel biomarkers to acute care and critical care. He is also involved in the development of novel therapeutics targeting endotoxin in critical illness, as well as the linkage of diagnostics and therapeutics. Separately, he leads business strategy and partnerships for the Applied Health Research Centre (AHRC) and holds advisory roles to government and other policy makers regarding the healthcare system and business strategy.

Robert G. Rikard

Since 1997, Robert G. Rikard has advised clients on a wide array of significant issues including regulatory compliance issues, civil litigation, and criminal exposure. He has handled a wide range of civil and criminal cases all over the United States. Today, Mr. Rikard's practice focuses on complex civil, criminal and business litigation. Mr. Rikard is rated AV® Preeminent™ by Martindale-Hubbell and is admitted to the South Carolina Bar; U.S. District Court, District of South Carolina; U.S. Court of Appeals; and the 4th Circuit Court of Appeals. Mr. Rikard received his B.A. and J.D. from the University of South Carolina. He is a member of the Moot Court, Order of the Barristers; Richland County Bar Association; South Carolina Bar; South Carolina Association of Justice (Board of Governors); and American Association of Justice
